## Show Highlights

### SOLAR Consultation Centre

*This would facilitate a free discussion between trade visitors and industry professionals for their current and future business project to save the cost and use the suitable products. It would help facilitating the industry news or subsidize project with government organization.*

### DEALERS & DISTRIBUTORS ZONE

*A specialized business matching program strictly for distributors and manufacturers, our dedicated buyer team will source the "wish list" of manufacturers and distributors. A dedicated zone will be provided for three days of pure bulk-buying business, facilitating international exhibitors finding local dealers and distributors.*

### LED

SUMMIT/2018

*Thailand LED Summit is a conference on LED lighting products and technology. Steered by a committee of experts, the conference attracts high powered keynotes and serves stimulating discussions in an open environment.*

### BUYER PROGRAM

*Our Buyer Programme is an effective platform for top quality buyers from the procurement, purchasing and supply chain management divisions within the solar product to meet with our exhibitors on a pre-scheduled, one-on-one basis.*

### Standard Furnished Booth

330 USD / Sqm.

Booth size 9 Sqm. including of system wall partition height of 2.5 m, floor carpet, fascia name, 2 LED tubes, 1 power socket 5 amp., 1 information counter, 2 chairs and 1 wastebasket

### Space Only

300 USD / Sqm.

Minimum size 24 Sqm.
